Our Lady of Hope Catholic Academy

Our Lady of Hope Catholic Academy is a Nursery through Grade 8 Catholic Elementary and Middle School under the Diocese of Brooklyn Schools Office.

The curriculum stresses academic achievement within a Christian community where each child feels that he/she is loved and respected by his/her peers as well as the teacher. Vatican II texts are used so that our theology is in compliance with the bishops of the world. United with each other in meaningful liturgy and prayer, the students can further come to an understanding of the Christian life. At Our Lady of Hope Catholic Academy, we are attempting to "teach as Jesus did."

The Diocesan curriculum guidelines, consistent with the State of New York guidelines and Common Core Standards are followed for the teaching of all secular subject areas. The curriculum is marked by current content and fresh approaches to methodology. There is emphasis on principles rather than fact, on learning through problem solving rather than by precept. We strive to offer a program which makes use of many sources of reading material, a wide variety of audio-visual and technology tools and a multi-text approach to the content areas.

History

Our Lady of Hope School opened in September of 1963 with grades K through 6. Sister Mary Austin, O.P. was the founding Principal designing the curriculum and creating the learning environment. In the early years, the school was staffed prominently by the Dominican Sisters of Amityville but as vocations dwindled, lay faculty began to assume the majority of teaching positions. Our Lady of Hope Catholic Academy has been a vibrant and active learning community and has recently celebrated 50 years of service to the Middle Village community.

Mission Statement

Our mission is to provide a Catholic education that fosters the spiritual and academic development of each child by instilling a morally centered foundation. The responsibility for academic and spiritual growth is a shared endeavor among students, parents, faculty, and administration. Our model is Jesus Christ who taught with compassion, respect and a loving heart. Therefore, our common goal is "to teach as Jesus did".

Philosophy

Our Lady of Hope Catholic Academy endorses the call of the Catholic Bishops of the United States to express its educational ministry through the objectives of personal spirituality, social justice, and a strong academic program in accord with the Curriculum Guide for Catholic Schools in the Diocese of Brooklyn.

1. To develop the total Christian personality by instilling in each student a respect for life and reverence for Christian living.
2. To develop within the school a strong religious education program based on Catholic Theology, Scripture, Liturgical experience, and service so that each child will grow and develop in the Christian way of life.

3. To facilitate the intellectual, social, and physical development of each child through a variety of instructional methods such as small and large group instruction, departmental classes, and other tools for basic knowledge and formation.
4. To aid each student in the evaluation of his/her own capabilities and vocational possibilities.

It is the consensus of the faculty that every human being has a right to pursue knowledge corresponding with his/her dignity and God-given ability, regardless of background or sex. In the early years, education is of the utmost importance because through education and guidance the children of today become the Catholic citizens of tomorrow.

Absence

When a student is absent from school, a parent MUST call the office by 8:15 AM each day of the absence. If the office does not receive a call, a parent will be contacted. This policy is for the protection of the Our Lady of Hope Catholic Academy students.

Students should be fever free for 24 hours before returning to school. Students who are sent home during the school day with a fever will not be allowed to return to school the next day as this would not allow for the 24-hour protection of the entire school community.

A written statement giving reasons for the absence or tardiness **must** be brought to the student's teacher upon the student's return. These notes/letters will be retained in the office for one year. Should absence for any reason other than illness seem imperative, parents are requested to consult with the Principal and present a written reason for the absence.

The school calendar provides for extended weekends throughout the school year. Parents are encouraged to schedule trips or family outings during these times so as to eliminate the need to interrupt a child's learning process. Missed assignments are the student's responsibility.

Students who are absent due to illness have one day for each day of absence to make up the missed assignments, quizzes or tests. For example, a student who was absent three days would be given three school days to complete the missed work.

When a student is absent, a parent may call the school office before 9:00 am to arrange for homework assignments. Homework assignments may be picked up at the school office between the dismissal time for the child's grade and 3:30 pm.

For short absences, students should make arrangement with classmates regarding assignments. Students may also receive missed assignments from their teacher when they return to school.

Teachers are not required to give make-up tests or assignments for absences due to vacations. No assignment will be given in anticipation of the vacation. (See also Homework due to vacations/planned absences.)

Arrangements for regular classroom tests missed because of an absence are to be made with the individual teachers. These tests must be taken within one week of the original test date.

Excessive absence of (40) days or the equivalent of 40 days including tardiness, can be cause for a student to be retained in the current grade for another year.

Absence During the School Day

Students needing medical appointments during school hours require a written note by the parent. Parents are required to sign out their child. If the child returns to school during the same school day, he/she must be signed back into school in the office. Students who are away from school for an appointment for 3 ½ hours or more, will be counted as absent for a ½ day. Three (3) early withdrawals, each of which are less than 3 ½ hours, are considered a ½ day absence.

Buckley Amendment/Custodial Policies

This school abides by the provisions of the Buckley Amendment with respect to the rights of non-custodial parents. In the absence of a court order to the contrary, we will provide a non-custodial parent with access to academic records and other school information regarding his/her child. If there is a court order specifying that there is to be no information given, it is the custodial parent's responsibility to provide the school with a court certified copy of the court order. Therefore, we recommend that all divorced families provide the school with a court certified copy of the custodial section of the divorce decree. Official custodial agreements will be kept in a confidential file in the office of the principal.

Bullying and Cyberbullying

Our Lady of Hope Catholic Academy attempts to provide a safe environment for all individuals. Verbal or written threats made against the physical or emotional well-being of any individual are taken very seriously. Parents are asked to cooperate with the Morning Drop-Off Zone volunteers.

If a student needs a cell phone because he/she is walking to or from school, entering a house where no one is home or attending after school activities, he/she should give the cell phone to the homeroom teacher upon arrival in the morning. The cell phone in the off position will be locked in a safe box for the day. The cell phone may be picked up by the student at dismissal. At no time during the day should the cell phone be in a student's possession. **Items taken away from a student will be returned to the parent(s)/guardian(s) by the Principal.**

Crisis Plan

Our Lady of Hope Catholic Academy has implemented a “crisis plan” in case of a lockdown emergency. All teachers and staff are aware of the procedure to follow to keep your children safe. In the event of such an emergency, circumstances permitting, the building will be evacuated and students will be moved to one of two secure designated locations:

1. Our Lady of Hope Church
2. Off Campus – Resurrection Ascension School

Code of Conduct/Discipline

Discipline is the underlying framework around which other aspects of education are structured. The ultimate goal of learning is self-discipline and self-direction. Good discipline begins with early training in the home and extends to the school and the community. Mutual cooperation between home and school must exist if discipline is to be maintained. In an effort to create a peaceful and respectful school and learning environment, the following code of rules and consequences has been put in place and will be strictly adhered to:

1. Students may not use any form of physical force against another person
2. Students may not deface school property
3. Students may not deface, destroy, ruin or steal the property of others
4. Students are expected to speak respectfully to one another

Consequences will be offered depending on the severity of the child’s actions and the circumstances involved. Any one or a number of these consequences may be used at any given time.

2. Field trips are re-evaluated each year to determine the trips compatibility with curricular goals.
3. A field trip is a privilege and not a right.
4. There are no "traditional" field trips. Class participation in a particular field trip over consecutive years does not mean that this trip has become a school tradition.
5. All grades do not always have the same number of field trips.
6. Field trips are permissible for all grades when advanced planning, location, and the experience insure a successful learning opportunity.

7. Individual teachers, in consultation with the Administration, reserve the right to restrict or deny student participation on any field trip due to, but not limited to, poor academic performance and/or poor conduct.
8. A written **official permission slip**, signed by the parent, is required before a child will be permitted to attend a field trip activity. Verbal permission **cannot** be accepted. Permission slips are due in the office forty-eight hours after receipt of the permission slip.
9. A field trip permission slip is printed at the end of this book. This is the only format that may be used to allow a student to leave school during school hours. If your child fails to bring his/her permission slip home, you may copy the form provided. Call the school for information needed to complete the form. **Note:** a fax does not take the place of an original signature.
10. A **telephone call** will **not** be accepted in lieu of the proper field trip permission slip.
11. Parents may refuse to permit their child from participating in a field trip by stating so on the proper form.
12. Students who are participating in the field trip must ride the bus to and from the field trip with their class. Students not on the bus may not participate in the field trip and will be counted absent for the day.
13. All monies collected for the field trip are **non-refundable**.
14. **Student cell phones** are **not allowed** on field trips unless otherwise directed by the teacher and/or administration.
15. Parents who are not “official” chaperones may not drive their car to a field trip destination with the plan of accompanying the class on the field trip. Our risk management insurance company insures the “official” chaperones and participation by unofficial chaperones jeopardizes the protection of our students and all other “official” adults on the trip.
16. Parents who chaperone a field trip may not bring pre-school or school-age siblings on the field trip.
17. All chaperones must be legal adults.

Home-School Communication

Official school-wide emergency communications are sent either in a letter format and/or using the Option C Parent Alert phone system.

Homework

Formal home-study is assigned to help students become self-reliant and self-directed. Assignments are designed to reinforce daily lessons, to supplement and enrich class work, and to prepare for certain lessons through various experiences.

Since each student has different capabilities and interests, it would be difficult to denote the specific amount of time to be spent on an assignment. If a problem arises, the teacher should be contacted.

Homework may be assigned to students Monday through Thursday. Generally, homework will **not** be assigned to students on Friday.

Homework due to Vacations/Planned Absences

The school calendar provides for extended weekends throughout the school year. Parents are encouraged to schedule trips or family outings during these times so as to eliminate the need to interrupt a child's learning process. Missed assignments are the student's responsibility.

Teachers are not required to give make-up tests or assignments for absences due to vacations. No assignments will be given in anticipation of the vacation. There will be no exceptions to this policy. Please do not ask the teacher to make an exception.

Homework Policy Due to Illness

When a student is absent, a parent may call the school office before 9:00 AM to arrange for homework assignments. Homework assignments may be picked up at the school office between your child's dismissal time and 3:30 PM.

For **short absences**, students should make arrangements with classmates regarding assignments. Students may also, receive missed assignments from their teacher when they return to school.

Students will be allowed one day for each day of absence due to illness. For example, a student who was absent three days should be given three school days to complete the missed work.

Instagram®:

Photos and captions on a student or parent's Instagram® account that depict the school, the faculty, other students, or the parish in a defamatory way may result in disciplinary action.

Lateness

Any student arriving late must report to the office for a late slip. Any child entering the building after 8:00 am is considered late. Chronic lateness is not looked upon favorably. Not only are classes disrupted, but a lack of respect for school policy and a failure to grow in personal responsibility are shown. A child must bring a note signed by a parent or guardian indicating the reason for tardiness. Please refer to the demerit policy on page 16.

Library

The school has library. Students are encouraged to use the library for curricular enrichment and pleasure reading. The following rules are to be observed:

1. Borrowed books are to be returned on time and in good condition.
2. There will be a fine of .05 cents per day for all book returned late. Books damaged or lost must be paid for by the student before any other materials may be checked out. Students who have lost or damaged books do not receive progress reports or quarterly report cards until their account is cleared.
3. Students who lose or damage a library book, textbook or workbook must pay the replacement cost of the book plus shipping in order to receive a new copy.

Lost and Found

Any items found in the school building or on the school grounds should be given to the school receptionist to be placed in the Lost and Found basket. **Items placed in the Lost and Found remain there for 10 days. After 10 days, items are donated to charity.**

Lunch Program

Our Lady of Hope Catholic Academy offers a lunch program daily. Students may choose to bring their lunch each day. Students should not bring glass bottles, soft drinks or excessive amounts of candy. Parents should not bring lunches or drinks from carry-out restaurants.

Students are expected to use the same manners required in the classroom during lunch. Courtesy toward other students and respect for and cooperation with lunch monitors are in order at all times.

Medication

It is important to note that the school nurse, employed by the Department of Health, is mandated to observe the New York City Department of Health and New York City Department of Education Chancellor's Regulations A-701. This regulation states that before administering medication, including over-the-counter nonprescription medications, to any student in any school in New York City, nurses employed by either the New York City Department of Health or New York City Department of Education, must obtain prior permission from a doctor who is employed by the New York City Department of Health. This permission is requested and, if appropriate, granted through the use of 504 Form B-Medication Administration Office of school health form. Under the provisions of Education Law, Article 139 — Nurse Practice Act, a registered professional nurse will execute "medical regimens prescribed by a licensed physician, dentist, or other licensed health care provider legally authorized under Title VIII of the Education Law." A licensed practical nurse can only perform nursing activities under the direction of a registered professional nurse or other licensed health care providers. The April 1, 1989, amendment to the Law (Chapter 257) authorizes nurse practitioners to issue "prescriptions for drugs" in collaboration with a physician pursuant to a practice agreement and protocols. School nurses (registered nurses) may administer medications prescribed by a nurse practitioner and other licensed prescribers. The appropriate Department of Health forms must be on file for ongoing medical conditions.

School personnel cannot at any time administer prescription medication or over the counter nonprescription drugs to any students.

Medication must be presented in a properly labeled container. Prescription medication must be in the original container. The prescription medication should contain a pharmacy label indicating the students name, address, name of medicine and dosage. It should also indicate the pharmacy and their phone number.

Off-Campus Conduct

A student is an Our Lady of Hope student at all times, especially while wearing the school uniform. A student who engages in conduct whether inside or outside the school that is detrimental to the reputation of the school may be disciplined.

Office Records

Parents/Guardians are requested to notify the School Office in writing of any change of address, custody, home telephone numbers, cell phone numbers, business phone numbers, e-mail addresses and/or phone numbers of emergency contacts. This will guarantee that office records are accurate, complete, and up-to-date.

Parents As Partners

As partners in the educational process at Our Lady of Hope Catholic Academy, we ask parents:

To set rules, times, and limits so that your child:

- Gets to bed early on school nights;
- Arrives at school on time and is picked up on time at the end of the day;
- Is dressed according to the school dress code;
- Completes assignments on time; and
- Has lunch money or nutritional sack lunch every day.

To actively participate in school activities such as Parent-Teacher Conferences;

To see that the student pays for any damage to school books or property due to carelessness or neglect on the part of the student;

To notify the school with a written note when the student has been absent or tardy;

To notify the school office of any changes of address or important phone numbers;

To meet all financial obligations to the school;

To inform the school of any special situation regarding the student's well-being, safety, and health;

To complete and return to school any requested information promptly;

To read school notes and newsletters and to show interest in the student's total education;

To support the religious and educational goals of the school;

To attend Mass and teach the Catholic faith by word and example;

To support and cooperate with the discipline policy of the school;

To treat teachers with respect and courtesy;

To be treated with respect and courtesy by teachers;

We, at Our Lady of Hope Catholic Academy, consider it a privilege to work with parents in the education of children because we believe parents are the primary educators of their children. Therefore, it is your right and your duty to become the primary role models for the development of your child's life---physically, mentally, spiritually, emotionally, and psychologically. Your choice of Our Lady of Hope Catholic Academy involves a commitment and exhibits a concern for helping your child to recognize God as the greatest good in his/her life.

Good example is the strongest teacher. Your personal relationship with God, with each other, and with the Church community will affect the way your child relates to God and others. Ideals taught in school are not well rooted in the child unless these are nurtured by the example of good Catholic/Christian morality and by an honest personal relationship with God in your family life.

Once you have chosen to enter into a partnership with us at Our Lady of Hope Catholic Academy, we trust you will be loyal to this commitment. During these formative years (Nursery-Grade 8), your child needs constant support from both parents and faculty in order to develop his/her moral, intellectual, social, cultural, and physical endowment. Neither parents nor teachers can afford to doubt the sincerity of the efforts of their educational partner in the quest of challenging, yet nourishing, the student to reach his/her potential. It is vital that both parents and teachers remember that allowing oneself to be caught between the student and the other partner will never have positive results. **To divide authority between school and home or within the home will only teach disrespect of all authority.** Evidence of mutual respect between parents and teachers will model good mature behavior and relationships. Talking negatively about a child's teacher at home will only create an attitude of distrust toward the teacher, the school, and the parent.

Students are naturally eager to grow and learn. However, sometimes in the process of maturation new interests may cause them to lose focus. As this natural process occurs, the student needs both understanding and discipline. At times, your child may perceive discipline as restrictive. However, it is boundaries and limits which provide a young person with both guidance and security.

It is essential that a child take responsibility for grades he/she has earned and be accountable for homework, long-term assignments, major tests, service projects, and all other assignments. Parents are encouraged to let their child experience a logical consequence for an inappropriate action or behavior. This responsibility also extends to times of absence.

Together, let us begin this year with a commitment to partnership as we support one another in helping your child to become the best person he/she is capable of becoming.

Home School Association

This organization, which brings parents into the fold of school life, is an essential part of Our Lady of Hope Catholic Academy. All parents are expected to be active members of this association and are required to attend all meetings. These meetings will inform parents on educational matters and on the many events and fundraisers which subsidize our tuition. This association enables us to pool the varied resources and talents of our parents for the total benefit and development of our children.

Parties

Students are permitted two class parties a year: Christmas and End of the Year. Class Mothers may be asked to coordinate aspects of the celebration with the classroom teacher.

Personal Appearance

- Cleanliness and good grooming are essential at all times

- Wearing of the complete uniform is the responsibility of parents and students when the child is registered for Our Lady of Hope Catholic Academy. No make-up is to be worn at any time. Only clear nail polish may be worn
- Boys' hair that is excessively long or worn below the collar is not acceptable. Hair must be neatly groomed. Extremes in hair styling of both boys and girls will not be tolerated. This includes cutting lines, designs, multiple parts and the like. Artificially colored or dyed hair is not permitted.
- As a safety measure, dangling earrings are not to be worn.

Please refer to detention policy on Page 16.

Promotion Policy and Retention Policy

Advancement to the next grade in Our Lady of Hope Catholic Academy is based on a student's daily performance, test results, recommendations of teachers, and the student's ability to complete work successfully on a more advanced level. Promotion to the next grade depends upon successful completion of all subject areas.

Tutoring or summer school classes may be required for promotion. When tutoring or summer school classes are not sufficient to ensure mastery of a grade level, retention may be required. This decision is left solely to the discretion of the educational professionals.

Report Cards

Report Cards are important tools for communication. Report Cards will be given three (3) times during the academic school year.

No student will be given a Report Card if tuition or fees are in arrears.

Returning to School After Dismissal

Students are not permitted to return to the school building after dismissal unless accompanied by a teacher. This policy is designed for the protection of your child in addition to helping your child to become more organized and personally responsible.

Sacramental Program

The sacramental life of the children of the Catholic tradition is an important component of the religion program at Our Lady of Hope Catholic Academy. Preparations for three sacraments, Reconciliation and Eucharist in Grade 2 and Confirmation in Grade 8 form the core of instruction. In accordance with the diocesan guidelines, candidates for First Eucharist will receive the sacrament of Reconciliation prior to First Eucharist.

Parents are required to be active partners in the preparation of their children for these sacraments. The sacraments of Reconciliation and Eucharist are only conferred on students baptized in the Roman Catholic tradition.

Our Lady of Hope Catholic Academy offers a Morning and After School Care Program through Sensational Kids. Please contact them directly at 718-386-1962 or 718-308-7635 for pricing and policies.

School Office Hours

The school office is open on all school days from **7:30 am – 3:30 pm**.

School Property

The parent of a child who carelessly destroys or damages any furniture, equipment, buildings, or anyone's personal property will be obligated to pay the full amount of repairs and labor or replacement. Textbooks rented by the student must have a proper book cover. No writing in rented textbooks is permitted. The student will pay a fine or replacement for damaged or lost texts before any final reports, transcripts, or diplomas are presented.

School Safety

Our Lady of Hope Catholic Academy attempts to provide a safe environment for all individuals. Verbal or written threats made against the physical or emotional well-being of any individual are taken very seriously. Students making such threats (**seriously, in jest or online**) face detention, suspension, and/or expulsion.

Harassment of any type is not tolerated. The Principal investigates all complaints of harassment. Students involved in harassing behavior face detention, suspension, and/or expulsion.

Student Directory

Within the first month of the school year, each family receives a Student Directory listing students' and parents' names, addresses, home telephone numbers, and e-mail addresses. Parents may choose to exclude any personal contact information from the Student Directory.

The Student Directory should be used to acquaint parents with the names of their children(s) classmates and parents. These directories should not be **used** or **sold** for other purposes.

Student Records

Our Lady of Hope Catholic Academy adheres to the Buckley Amendment (Family Education Rights and Privacy) regarding access to student records. Records of students transferring to other schools will only be sent through the US Mail. No records will be given to parents to transport to the new school.

Students requesting records/transcripts/recommendations must make a five school-day request to the School Office. School records must be sent via the U.S. Mail and cannot be given to a parent for hand delivery.

No records will be sent to transferring schools of students whose financial commitment is in arrears.

Technology Concerns

Blogs: Engagement in online blogs such as, but not limited to, MySpace.com® and Facebook®, etc. may result in disciplinary actions if the content of the student's or parent's blog includes defamatory comments regarding the school, the faculty, other students or the parish.

Cell Phones: If a student needs a cell phone because he/she is walking to or from school, entering a house where no one is home or attending after school activities, he/she should give the cell phone to the homeroom teacher upon arrival in the morning. The cell phone in the off position will be locked in a safe box for the day. The cell phone may be picked up by the student at dismissal. At no time during the day should the cell phone be in a student's possession. **Items taken away from a student will be returned to the parent(s)/guardian(s) by the Principal.**

Electronic Readers (E-readers): All Electronic Readers are the responsibility of the student. Our Lady of Hope cannot be held responsible for any damaged, lost or stolen devices. Electronic readers, simply called "e-Readers", are digital devices that can store books, periodicals, magazines, and other electronic media. e-Readers like Amazon's Kindle®, Barnes & Noble's Nook®, Apple's iTouch®, and Apple's iPad® are quickly becoming ubiquitous in our digital culture and they simply cannot be ignored. Our Lady of Hope Catholic Academy, in striving to maintain technological relevance in education, is providing the opportunity for students to use these devices in accordance with our e-Reader Acceptable Use Policy. This opportunity is a privilege that requires extra caution and responsibility both on the part of the students and their parents.

e-Reader Acceptable Use Policy:

The wide variety of hardware and software capabilities of available e-Readers makes them challenging to monitor and control in a school environment in contrast with school owned technology assets like computers, etc. Therefore, our e-Reader Acceptable Use Policy needs to be specific and clear. A student who violates any portion of the e-Reader Acceptable Use Policy may immediately lose the privilege to use their e-Reader at school for a length of time commensurate with the nature of the violation.

1. All e-Readers must be registered with the Our Lady of Hope Catholic Academy Technology Coordinator and accompanied by the Acceptable Use Agreement Form signed both by the parents and the student.
2. e-Readers are to be used **only** for the reading of school approved material (books, etc.) and not for other purposes such as communication, entertainment, music, gaming, etc.
3. All material on the e-Reader must comply with the spirit and policies of Our Lady of Hope Catholic Academy. Please refer to the Parent-Student Handbook for more details.

4. All e-Readers must have cellular and network capabilities disabled (turned off) while the device is at school.
5. e-Readers must be used at appropriate times in accordance with teacher instructions. The e-Reader must not be a distraction for the student or those around him/her nor be a source of any classroom disruption.
6. e-Readers are not to be used during lunch, middle-school breaks, or during playground/recess time.
7. The student is responsible for knowing how to properly and effectively use their e-Readers and this should not be a burden for the teachers.

Instagram®: Photos and captions on a student or parent’s Instagram® account that depict the school, the faculty, other students, or the parish in a defamatory way may result in disciplinary action.

Sexting: Students involved in possession or transmission of inappropriate photos on their cell phones or other electronic devices face suspension and/or expulsion.

Texting: Students should at no time be involved in texting during the course of the school day. Students involved in texting at school face detention, suspension and/or expulsion.

Virtual Reality Sites: Virtual Reality Sites such as, but not limited to, www.there.com® and www.secondlife.com®, etc. pose a developmental and moral risk to the life of a student. Parents are cautioned to be aware of the online sites visited by their children, knowing that often predators are not living in a neighborhood, but within the home via a computer. Students whose avatars depict other students, teachers, or parish staff in a defamatory light face detention, suspension, or expulsion.

Telephone

Permission to use the telephone must be obtained from the school secretary. Students must sign a phone log when using the office phone. The office phone is a business phone and students are permitted to use it only in case of an emergency. Forgotten homework, athletic equipment, etc. do not constitute emergencies. Arrangements for after-school visits with friends should be made at home.

Title IX

Our Lady of Hope Catholic Academy adheres to the tenets of Title IX: “No person in the United States shall, on the basis of sex, be excluded from participating in, be denied the benefits of, or be subjected to discrimination under any education program or activity receiving federal financial assistance.”

Transfer of Students

Notice of withdrawal of a student should be made by the parent in **writing** to the Principal in advance of the withdrawal date. This enables the school to prepare necessary

information and settle accounts. **No student records will be forwarded to another school until Tuition accounts have been settled.** (See previous section on Student Records for transcript information.)

TELECOMMUNICATIONS USE AGREEMENT

Telecommunications Use Agreement

Adapted from NCEA's From the Chalkboard to the Chatroom.

As a computer user, I agree to follow the rules and code of ethics in all of my work with computers while attending Our Lady of Hope Catholic Academy:

1. I recognize that all computer users have the same right to use the equipment; therefore, I will not use the computer resources for non-academic purposes. I will not waste or take supplies such as paper, printer cartridges, and discs that are provided by the school. When I am in the computer lab, I will talk softly and work in ways that will not disturb other users. I will keep my computer work area clean and will not eat or drink in the computer lab.
2. I recognize that software is protected by copyright laws; therefore, I will not make unauthorized copies of software and I will not give, lend, or sell copies of software to others. I understand that I will not be allowed to bring software applications, games, or CD-ROMs from home to be used on school equipment without proof of licensure and prior approval of appropriate school personnel.
3. I recognize that the work of all users is valuable; therefore, I will protect the privacy of others by not trying to learn their password; I will not copy, change, read, or use files from another user without prior permission from that user; I will not attempt to gain unauthorized access to system programs for computer equipment; I will not use computer systems to disturb or harass other computer users or use inappropriate language in my communications.

I will honor my school's procedures for the storage of information. I realize that after prior notice has been given to me, files may be deleted from the system to protect the integrity of the network or because of space limitations on the computer's hard drive.

4. Each student who received Internet access will be instructed in the proper use of the network. The use of the Internet must be in support of education and research consistent with the educational objectives of the school. Students using network or computing resources must comply with the appropriate rules for that network or resource. Students are never permitted to type a web address/URL into a web browser unless they are directed to do so by their teacher.

As a user of a network, I will not use bulletin boards nor chat lines for personal use. In addition, I will not reveal my personal information, home address, or personal phone number or those of students, teachers, or other staff members. Transmission of any material in violation of any U.S. or state regulation is prohibited. This includes, but is not limited to: copyrighted material, threatening or obscene material, or material protected by trade secret. The use of school computers and networking resources for commercial activities is not permitted. Their use for product advertisement or political lobbying is also prohibited.

5. Parents must realize that their child(ren) may encounter material on a network/bulletin board that they do not consider appropriate (vulgar jokes, statements of belief that some might consider immoral, etc.) The student is responsible for not pursuing material that could be considered offensive.
6. The use of the computer is a privilege, not a right, and inappropriate use will result in the cancellation of these privileges. Vandalism or intentional modification of system settings will result in cancellation of privileges and/or school disciplinary action. The school reserves the right to seek financial restitution for

any damage caused by a student or other user. The system administrators will deem what is inappropriate use, and their decision is final. The administration, faculty, and staff of the school may request that the system administrator deny, revoke, or suspend specific user privileges. Violations of the rules and code of ethics described above will be dealt with seriously.
